

Director of Organization Report  
February 21, 2010

Good morning. Since our last meeting, we have welcomed one new member, Building Equipment Mechanic Daniel Francis, and lost one member to Management in the Pawtucket office, who thankfully is at least not freeloading. Sadly, we also lost Tour Three Clerk Edward Lubbers who succumbed to his long-time battle with cancer.

Respectfully submitted,

Ann Albro-Mathieu  
Director of Organization
