

June Report

Good Morning Brothers & Sisters

National Human Relations Director Susan Carney has recognized our Local for our efforts in providing backpacks of supplies for the homeless veterans. I would like to thank all of the members who put the backpacks together.

Steve and I meet with Ed Krzyzek on several issues the first one was changes to the flat area the hours for the AFSM 100 are changing on all three tours and manual flats. Letters notifying members with bids of the change were sent out. The union has learned that the letters some members received have the wrong hours we will address this issue with Ed. The second issue was management wants to add backup to tour 2 automation jobs we told them no, that issue is being grieved. We also gave Ed a couple of ideas for tour 2 bids in the area he needs them.

I would like to tell you to contact your representative on H.R. 176 on making the Postal Service keep 6-day delivery.

I would like to report that we have had a trustee resign for personal reasons. I appoint John Moran in the interim until the next meeting in September when the membership will decide how to fill the vacancy whether to have an election or to accept the appointment.

I hope everyone has a safe and fun summer. Don't forget the picnic on July 17th it's sure to be a great time.

Raymond Kearns
Vice President
