Other eligible applicants are listed below this group in rank order.

Drug-Free Requirement

To qualify for postal employment, an applicant must be drug-free. This is determined through the use of a urinalysis drug screen. Applicants who qualify on the examination, and are in the area of consideration for employment, will be scheduled for the drug test.

The general minimum age requirement for positions in the Postal Service is 18 years at the time of appointment, or 16 years with a high school diploma.

Males between 18 and 26 years of age (have not reached their 26th birthday), can register with the Selective Service System at any U.S. Post Office, or with a consular officer if outside the United States. Your registration status can be verified with the Selective Service System by calling (847) 688-6888.

The law (39 U.S. Code 1002) prohibits political and certain other recommendations for appointments, promotions, assignments, transfers, or designations of persons in the Postal Service. Statements relating solely to character and residence are permitted, but every other kind of statement or recommendation is prohibited unless it either is requested by the Postal Service and consists solely of an evaluation of the work performance, ability, aptitude, and general qualifications of an individual or is requested by a Government representative investigating the individual's loyalty, suitability, and character. Anyone who requests or solicits a prohibited statement or recommendation is subject to disqualification from the Postal Service and anyone in the Postal Service who accepts such a statement may be suspended or removed from office.
